# The BMW Equipment Program Advantage

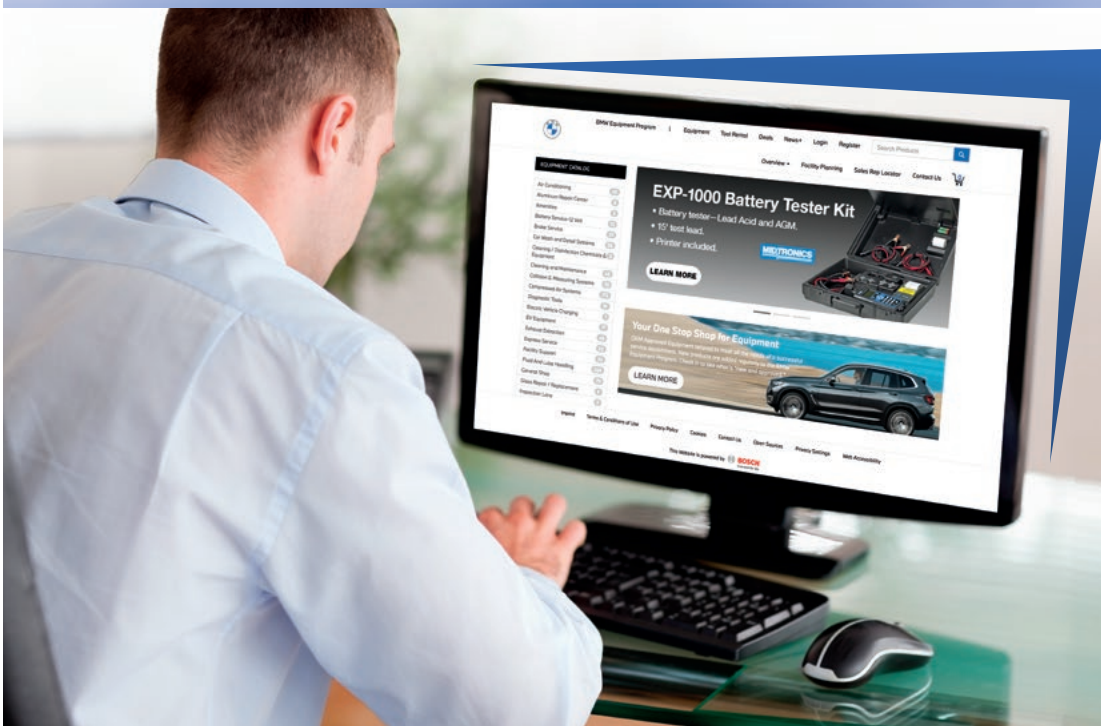

## We Offer:

- **OEM Approved Equipment Tailored to Meet Your Shop's Needs**
- **Experienced Personnel**  
Industry-leading field sales organization. Our technical specialists will provide assistance on product selection, application, service and support for "One Stop Shopping" on all service department needs.
- **Customer Service Support**
  - World Class Service
  - Order/Delivery Status
  - Technical Support
- **Equipment and Systems Planning Services**
- **Flexible Payment Options**
  - DES Open Account
  - Financing & Leasing Programs
  - Major Credit Cards: Visa, MasterCard, American Express
  - Check, Money Order
- **A Minimum One Year Parts and Labor Manufacturer's Warranty**
- **Factory Direct Shipments**
- **Installation & Training Assistance**
- **A One Stop Shop—We work for you!**

## The Complete Source for Your Service Center

For additional information on our special discounts or promos, contact 1-888-222-7997 or your local field representative.

### **REGISTER TODAY!**

- Check your email for exclusive offers and special promotions
- Keep up-to-date on all the latest approved equipment
- Log-in for promotional pricing every time you visit.

# Serious Lift Capability for Every Service Job

## 10,000 lb. Wide EV Inground Lift

Hydraulic inground lifts provide an extra-wide drive-through clearance for servicing wide-bodied and electric vehicles. Its design allows for battery-lowering out of electric vehicles and comes standard with True 3-Stage arms and double-telescoping screw pads.

67-EW1020

**NADA \$16,210.00**

Regular Price \$16,905.00

Approved by BMW for use on EV vehicles.

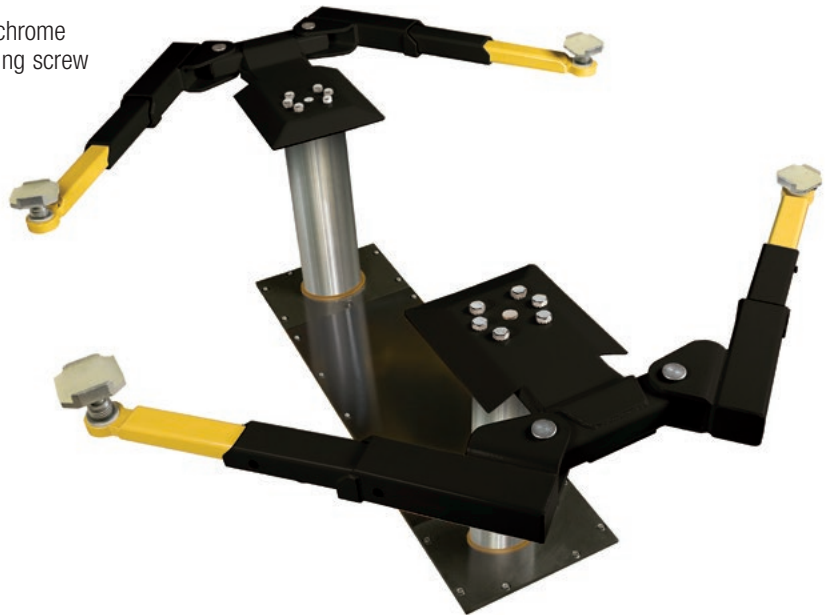

## 10,000 lb. ENVIROLIFT - 3 STAGE ARMS

10,000 lb. capacity electric/hydraulic inground lift with 8.5 in. chrome pistons, wide drive-through, 3-stage arms and double telescoping screw pads.

67-EV1020

**NADA \$10,628.00**

Regular Price \$11,083.00

**Other models available with special Q1 promotional pricing!**

Contact your local BMW Equipment Program field representative for more information.

# Two-Post Lift and Tire Changer

## 10,000 Two-Post Asymmetric Lift With AV Arms

Rotary's AV Arms allow you to properly lift any vehicle on recommended OEM pickup points. Get more vehicles in the shop and on the lift faster with easy spotting and superior lifting capabilities.

- Easily spot lower profile vehicles with the 3 3/8" minimum adapter height.
- All vehicle arms with increased reach.
- Reach small, specific pick-up points on EVs with enough clearance to remove propulsion batteries.
- High-strength tapered arms for easier and faster positioning of adapters compared to traditional arm designs.
- Front Arm Reach 18 1/2" min., 41" max
- Rear Arm Reach 27 5/8" min., 58 1/4 " max.
- Lift comes standard with round adapters, truck adapters and stacking extensions to lift, unibody, frame and EV.

39-SPOA10-AV

**NADA \$7,010.00**

Regular Price \$7,482.00

## R1200 Dual Roller Tire Changer

Premium center locking changer with variable speed control.

- Dual Roller System, no tools required!
- Inflation Station.
- Storage Cabinet.
- Bead Pusher to assist seating.
- Mount and demount most tire and wheel combinations including runflat, reverse rims and SST.

39-RWC1200

**NADA \$16,285.00**

# Brake Service and Charging

## On Car Lathe – BMW Package

The X15 is the latest innovation in on-vehicle rotor matching. The all-new computer system provides disc tracking, maintenance alerts, and variable speed control. The X15 is the first and only rotor matching system in the world to be driven by a 48v DC motor. Expect smooth operation, tighter run-out tolerances, and superior surface finishes. The 48v DC difference is incredible!

### Features:

- Variable speed DC motor.
- Latest advanced electronics platform.
- Performance plus cutting head.
- Patented one-touch Lateral Run Out (LRO) compensation.
- Six-LED on-board work light.
- 2 -year parts and labor warranty.

38-X15-2ADPBMW  
**NADA \$13,995.00\***  
 Regular Price \$15,795.00

By matching rotors not only are you increasing your profits, you are saving another rotor from the environment!

**We offer no obligation, FREE ON SITE "DEMO" – Save us your toughest brake job and we will do it for FREE!**

\*Price includes trade-in.

## KwikStart Pro-HD

New Patented designed KwikStart with 7' DC field replaceable leads, 12V, 22Ar AGM battery provides up to 1700 peak amp/360 CCA of vehicle starting power. Built-in USB charging ports, and power port for charging everything from a cell phone or laptop to portable lighting.

Rugged design makes the case resistant to drops. Built-in accessory store area for charging cords or memory saver cables.

110-KS401  
**NADA \$399.00**  
 Regular Price \$467.00

## Kwikstart Booster Pac with Memory Saver Cable

1700 Peak Amp 360 CCA rated Kwikstar, 22Ar AGM battery and Memory Saver Cable. Plugs into Diagnostic connector to keep memory alive when battery cables are disconnected to replace batteries, starters or alternators. Keeps from losing clock settings, radio stations, memory seat positions and other driver preferences.

110-MSK6211  
**NADA \$225.00**  
 Regular Price \$283.00

# Brake Service

## 2.5 Gallon Electric Brake Bleeder

### Features:

- Easy to use, only one person needed for operation.
- Quick change of brake fluid.
- Suitable for all ABS systems (including EDS, ESP and SBC systems) and hydraulic couplings.
- Pulsating liquid flow.
- Automatic low fluid level shut off to prevent air bubbles.
- Instantly depressurizes when switched off.
- Has an adjustable pressure regulator from 0-50 psi.
- Easy to steer around the shop.

801-STBBE2.5GAL

**NADA \$1,385.00**

Regular Price \$1,571.00

## 4.0 Gallon Electric Brake Bleeder

Leakage test of the braking system in the low-pressure range. Suitable for all ABS systems (including EDS, ESP and SBC systems) and hydraulic clutches.

### Features:

- Easy to use, only one person needed for operation. The brake fluid is hermetically separated from the outside air. A reduction in the boiling point is excluded.
- Automatic low fluid level shut off to prevent air bubbles.
- Instantly depressurizes when switched off.
- Has an adjustable pressure regulator from 0-50 psi.
- Comes with a 10ft pressure hose.
- 4.0 Gallon Canister.
- Easy to steer around the shop.
- Only one person needed for operation.
- Pulsating fluid stream.

801-STBBE4.0GAL

**NADA \$1,765.00**

Regular Price \$2,000.00

## Tire and Wheel Service

### B1200P Automated Wheel Balancer

The B1200P wheel balancer with diagnostic functions for car dealerships with high tire service volume. With touchscreen monitor and automatic non-contact data entry. Unbalance measurement and run-out diagnosis are performed in a single fast measuring run.

#### Features:

- Touchscreen with advanced user interface.
- easyWEIGHT – Pinpoint laser accurately.
- Automatic Inputs – Optical scanners automatically measure the wheel.
- Automatic balance measurement.
- Automatic behind the spoke weight placement.
- Patented automatic power clamp.
- LED wheel lighting.
- Stop-in-Position feature where the operator only has to touch the amount of unbalance on the screen and the wheel is automatically indexed to correction position.
- Collets.

119-EEWB567AUB

**NADA \$13,965.00**

Regular Price \$16,619.00

### T7800 All-In-One Tire Changer

The John Bean T7800 is a leverless tire changer featuring a unique collection of tools, including intuitive control panel, powerMONT™, lower bead camera viewer, on-floor bead breaker and quickLOK™ technology. It was engineered with superior functionalities that require less effort for technicians to operate and an advanced set of tools that only touch the tire, never the rim, minimizing the risk of damage when working with standard, UHP and run-flat tires.

119-EEWH586AUB

**NADA \$23,925.00**

16-1834

**NADA \$4,725.00**

Regular Price \$5,073.00

## 2,200 lb. Capacity Fold-Away Floor Crane

- Space-saving fold-away feature for storage.
- Adjustable leg spread for "close-in" work.
- Telescoping boom extension for added reach.
- Equipped with two-speed hydraulic hand pump.
- 16-7/8" lifting chain.
- Lifetime Warranty.

### Also Available:

16-1820

4,400 lb. Capacity Floor Crane with 18-3/8" Lifting Chain.

**NADA \$7,335.00**

Regular Price \$7,594.00

16-1819

**NADA \$5,515.00**

Regular Price \$5,921.00

## 3-Ton Capacity Service Jack

Low-profile, compact design for easy and convenient positioning underneath vehicles. The sleek design can be used on vehicles with minimal ground clearance, ground effects, and low fairings without needing makeshift methods before lifting. Built-in safety overload system prevents use beyond the rated capacity for safer operation. Meets all 5 ASME PASE-2019 safety standards for service jacks.

- Lifting range: 2.95" - 20"
- Saddle: 4" dia., steel crown
- Handle length: 46-1/4" with padded lower section
- Frame height: 6.3"
- Handle length: 46-1/4" with padded lower section
- Floor space: 13.5" x 28.5"
- Casters: 4; 2.4" front fixed (2), 2.4" rear swivel (2)
- Dual pump design provides quick lift with load.
- Limited Lifetime Warranty

16-LDJ3-A

**NADA \$270.00**

Regular Price \$311.00

## 3-Ton Jack Stands

These all-new 3-Ton Steel Jack Stands are constructed of a formed and welded high-quality steel base for strength to provide years of safe vehicle holding. Self-locking ratchet handle cannot be released under load and feature a wide range of locking heights and adjusting positions to provide a universal stand for most vehicles.

Sold as a pair.

### Also Available:

16-S04

4-ton jack stands

**NADA \$135.00**

Regular Price \$147.00

16-S03

**NADA \$75.00**

Regular Price \$92.00

# Leak Detection, Thermometer and A/C Accessories

## Tracer Gas Leak Detector Service Kit

The Robinair Tracer Gas service kit gives technicians the tools necessary to use tracer gas in place of refrigerant to find A/C system leaks. The LD9-TGKIT includes a hydrogen gas leak detector with sensor technology designed to detect a 5% hydrogen/95% nitrogen tracer gas mixture. The detector's full color liquid crystal display (LCD) and sweep mode function convey messages, graphics, and prompts to help technicians locate the source of a leak and ensure that the leak detector is always at optimal performance. A patented 3 LED inspection light aids in locating and inspecting suspected leak sources.

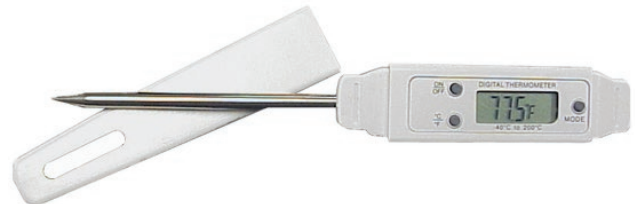

42-LD9-TGKIT  
**NADA \$775.00**  
 Regular Price \$881.00

## Digital Thermometer

This digital thermometer gives you full-feature capabilities in a case that is small enough to fit in your shirt pocket. A wide temperature range and highly accurate readings make it useful for a variety of applications.

- Accurate readings from -40° F to 390° F (±2°) and from -40° C to 200° C (±1°).
- Switch selects Celsius or Fahrenheit.
- Sampling time is just one second; HOLD button freezes display for accuracy.
- Easy-to-read display can be read even in direct sunlight.
- Durable case includes a cover to protect the probe.
- Uses one 1.5V battery; includes battery-saver mode.
- Min/Max display for reading temperature ranges.

42-43240  
**NADA \$28.00**  
 Regular Price \$35.00

## Premium Refrigerant Leak Detector

- Patented 3 LED UV lights with 395-415 nm wave length is optimum for a/c dye fluorescence.
- Unique color graphic LCD screen.
- User friendly message and error screens.
- High intensity LED inspection light.
- Audio mute function.

### Also Available:

42-LD3  
 Economy Leak Detector with loud audible alert.  
**NADA \$255.00**  
 Regular Price \$321.00

42-LD5  
 Select Leak Detector with color graphic display, visual and audible alerts and LED inspection lights.  
**NADA \$385.00**  
 Regular Price \$444.00

42-LD7  
**NADA \$395.00**  
 Regular Price \$478.00

## Air Conditioning Accessories

42-18480  
 R-134A PAG Oil Injector – Used with 34788NI-H only.

**NADA \$105.00**  
 Regular Price \$132.00

42-18490  
 R-134A POE Oil Injector – Used with 34788NI-H only.

**NADA \$105.00**  
 Regular Price \$132.00

42-13172  
 Spin-On Filter Maintenance Kit with 42-34724 filter. For 42-34788NI and 42-34788NI-H.

**NADA \$69.00**  
 Regular Price \$88.00

## 1234YF Service

42-18465  
 R1234YF oil injector – POE ND-11 labeled.

**NADA \$135.00**  
 Regular Price \$164.00

42-18470  
 R1234YF POE oil only – syringe-type injector.

**NADA \$135.00**  
 Regular Price \$164.00

# Air Conditioning Service and Brake Fluid Exchange

## ArcticPRO High Performance R1234yf Air Conditioning Service System

The most advanced R1234yf unit on the market today, the ArcticPRO ACX2280 R1234yf Refrigerant Handling Systems offer your shop the ultimate in refrigerant recycling machines. Our newest professional units include a unique service door that is ergonomic in its design and an intuitive, state of the art user interface providing an optimal environment for fully automatic A/C service and simple unit maintenance. iOS and Android capable phone app allows remote service session mirroring and advanced functions.

### Features:

- State-of-the-Art. Ergonomic design, 7" capacitive touch screen and intuitive user interface sets a new industry standard.
- Status Indicator. LED light indicates status visible from anywhere in the workshop.
- Best In Class Serviceability New ergonomic hinged service door simplifies unit service.
- Smart. iOS and Android capable phone app allowing remote service session mirroring and advanced functions.
- Automatic Updates. Permanent wireless software updates, ensuring you always have the latest features.
- Oil System Management. Automatic weighing of recovered oil, allowing accurate replenishment of oil removed during service.
- Remote Support for Technicians. Allows MAHLE to connect to a unit over WiFi for troubleshooting and advanced support.

362-460 80449 00

**NADA \$6,485.00**

Regular Price \$6,963.00

## Mahle BFX-60 Brake Fluid Exchange Unit

FluidPRO® brake fluid flush systems deliver complete brake fluid exchange using simple processes.

### Features:

- Constructed for larger volumes. The brake fluid is removed directly from its 16 gal original container.
- Fitted with the BFX PLUS extraction system.
- Fitted with an infinitely variable pressure suction tube with sieve.
- Suitable for ABS, ESP, EDS and SBC.
- Pulsating fluid flow to pressurize air bubbles out of the braking system.
- Automatic switch-off on empty container.
- Pressure-less decoupling from vehicle.
- Venting of device during container changeover not necessary.
- Adapter available for all established vehicle types.

362-425 80012 00

**NADA \$2,150.00**

Regular Price \$2,303.00

# Bulk Brake Fluid Dispensing

## Mahle BFX-10 BMW Brake Fluid Bulk Dispensing Unit

In addition to the base Mahle BFX-10 Brake fluid exchange unit, the BMW PN#362-425 80017 00 contains the appropriate hoses, fittings, adapters and siphon tubes needed for this unit to be used as a bulk brake fluid dispensing unit when paired with the Lincoln 905SF Metering Gun for Brake Fluid/Special Fluids (778-905SF, sold separately, see below).

362-425 800017 00

**NADA \$1,205.00**

Regular Price \$1,417.00

## Lincoln 905SF Metering Gun for Brake Fluid/Special Fluids

905SF Electronic Meter for Brake Fluid. Battery powered with adjustable dispense measurements.

### Features:

- Compatible fluids: Brake fluid, anti-freeze (ethylene glycol) solution, windshield washer solution.
- Durable, rugged design.
- Large, easy-to-read LCD display.
- Delivery in liters, quarts, pints, gallons.
- Oval gear driven meter.
- Automatic non-drip nozzle with manual shut-off feature.
- Calibration factor for different fluids.
- Minimum 20,000 cycles on battery life.
- Uses standard AA batteries.
- In-line swivel standard with all meters.
- Emergency manual shut-off.
- Low battery indicator.

778-905SF

**NADA \$840.00**

Regular Price \$896.00

# Compressed Air Systems

Champion offers a complete line of compressors as well as a wide array of aftermarket items to ensure excellent air quality. We are the industry leader in manufacturing dependable, industry-proven compressed air systems that will fit your application. From compressors to dryers, to filtration and piping, let Champion be your source for providing all your compressed air needs.

2025 NADASHOW

EXPO • FRIDAY-SUNDAY January 24-26

# Efficiency is Everything

Expert service equipment and systems planning will optimize the flow of people, equipment and vehicles—at no extra cost to you!

## Four Proven Steps:

### 1 Equipment & Systems Needs Consultation Assessment

Key project document detailing contact information, target launch/phase dates, building requirements and recommended shop equipment to enhance fixed operations.

### 2 Detailed CAD Drawing

Includes detailed equipment and systems layout in service area as well as a lighting plan with photometric data.

### 3 Comprehensive Specifications & Budget

Includes detailed specifications for all major equipment called out in the Needs Assessment. Also includes a preliminary equipment and systems budget.

### 4 Project Coordination & Support

Single point of contact for service equipment and installation.

## Most architects and contractors don't understand the needs of a service facility—we do!

Equipment and Systems Planning team members know service areas need to be set up to provide an optimal flow of people, equipment and vehicles into and out of the area. Because of our close partnership with the OEM, we know the BMW-approved equipment – where to place it for the best usage and work flow throughout the shop and how to get it installed.

Our experts will ensure your facility:

- ▶ Accommodates Future Vehicles
- ▶ Provides Layout Efficiency
- ▶ Maximizes Shop Throughput
- ▶ Meets OEM Design Criteria

## Visualize your Service Department in 3D!

- ▶ Explore your shop design in beautiful real-time 3D prior to construction. Take a walk in the repair shop and see exactly how it will look in real life (via online web conference).
- ▶ Verify equipment color(s) suit your needs prior to purchase.
- ▶ Validate all selected equipment will fit and function properly within the Service Area without interference with the building infrastructure/mechanical systems.
- ▶ Realistic images allow comparison of key product selections, in-ground versus above ground lifts/exhaust systems, tool boxes and workbenches.
